Group, total	125	122

Fair values for the Group's investment property are entirely determined by the Group, based on the market evidence. The determination and hierarchy of financial assets and liabilities at fair value are disclosed in note 17. Based on the principles of this determination, the investment property falls under level 2.

The premises in investment property for different segments are leased on market-based, irrevocable contracts. The lengths of the contracts vary from those for the time being to those for several years.
